## About Us

Palm Infra Group., a conglomerate of Real Estate & Construction companies, has been a Real Estate player since 25 YRS. Palm Infra Group is working on the most important dream of every Indian, which is to have a home of their own, without compromising on luxury and utility. Palm Infra Group is a well known name for developing layouts in U.P. It is known in the market for its capability to deliver hassle-free and committed quality of services to its customers. It has successfully completed several residential projects in Delhi-NCR & U.P. Palm Infra Group commitment to its clients goes way beyond just providing shelters. Extra effort is always employed to ensure that all clients get truly international quality, maximum facilities which are unsurpassed in a natural eco-friendly environment, which is the reason you would always find beautifully landscaped gardens and plenty of artistically designed spaces around our properties, getting you closer to mother nature. Palm Infra Group have been instrumental in making the Indian Real Estate market highly noteworthy. Palm Infra Group have always been in the news because of their innovative approach to build affordable and luxurious homes. In a short span of time, Palm Infra Group name has become synonymous with the quality construction business in Delhi-NCR.
