# About Us

The foundation stone of **Roorkee Survey House** was laid way back in the year 1973. Since then, the company is engaged in the business of manufacturing, exporting, importing, and supplying a qualitative variety of Surveying and Drawing Instruments to the clients spread across the globe. Under the profound guidance of **Mr. Naiyar Adil**, our honorable Managing Partner, the company is constantly moving ahead on the path of success. We are also engaged in providing competent services for installation of the Surveying and Drawing Instruments. Besides, we are an ISO-9001:2008 certified firm and have obtained the certificate of export and import (IEC) as well.

## Infrastructure

We have created a strong infrastructure over an area of about 3,000 Sq.Ft. in Sheikhpuri, Roorkee. The state-of-the-art infrastructure has a full-fledged workshop, installed every machinery and plant that is required for manufacturing world-class Surveying and Drawing Instruments.

## Quality Assurance

Quality acts as the soul of our organization and we leave no stone unturned to meet the international quality standards that are set. Apart from this, we make use of the best grade raw materials like Gun Metal, Brass, Aluminium, Iron, in order to make Surveying and Drawing Instruments that are durable and provide accurate results.

## Client Satisfaction

Being a client centric firm, our main focus lies on satisfying surveying and drawing...
