About Us

Roots Infra is one of the most preferred real estate consultancies, headquartered in New Delhi, India. In last 8 years, we have emerged as an indispensable business partner to many of our clients by offering customized solutions.

With a burgeoning and deep-rooted geographic footprint across the country, our professional network spans across in all major metro cities. A team of professionals bristling with energy, we strive to offer specialized leasing, strategic and advisory services in real estate. Over 125 (and growing) qualified and competent professionals and associates help us deliver customized solutions for our clients - multinational corporate tenants, international retail brands, IT & ITeS companies to individual property owners and developers.

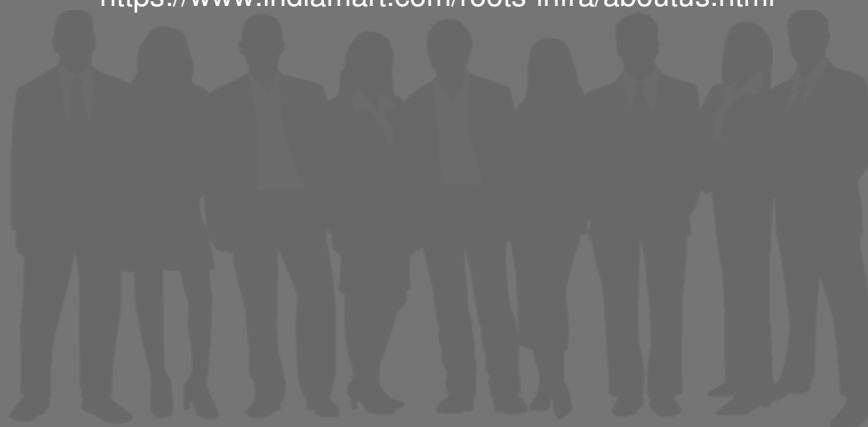

Why Roots Infra?

We have been instrumental in setting up facilities for leading corporate entities in the country. It is our endeavor and a part of the company DNA to continuously build and strengthen relationships with our clients, employees and associates. No wonder, our rate of repeat business continues to grow which accounts for more than 45% presently, each year; [click here](#) to list of our repeated clients.

Backed with the information corporate and developers need, we make the real estate process simpler and more effective for everyone. Our strong local presence in established and emerging markets across country, combined with powerful research and...
