About Us

We, Roots Industries Limited, established in the year 1970, are one of the prominent manufacturers, suppliers and exporters of a wide range of optimum quality Industrial Cleaning Equipments. Our offered product range consists of Industrial Cleaning System, Scrubber Drier and Vacuum Cleaner. The steel, which is best in the market, is used for manufacturing of these cleaning machines. To ensure high standards of quality, these machines are manufactured using ultra-modern machinery. Manufactured in adherence to the industry set standards, these machines are easy to operate and require minimum maintenance. In addition to this, these cleaning machines are known among our customers for their optimum performance, low power consumption and longer operational life. With our large production capacity, we have been able to offer these products in bulk quantities. These cleaning machines can be customized as per the specifications and requirements provided by the customers. Available with us at industry leading prices, these cleaning machines are highly appreciated.

Since the inception of our company, we have been backed by an ultra-modern machinery that a spread over a wide area of land. To ensure streamlined operations, we have carefully divided our infrastructure into various units. Well-equipped with latest machinery, our manufacturing unit is upgraded with the latest machinery at regular intervals. Our clientele boasts of Mahindra Hinoday, Bajaj Auto Limited and Bharat...
