Being encouraged by our success and achievements in the business and in light of our vast mango plantations we have ventured into the pulp manufacturing business since the year 2002.

## About Us

The founders of M/S RFIPL hail from Krishnagiri town in state of Tamil Nadu which is very popular all over the country for its mango orchards. About 80% of the Totapuri variety of mango is produced from the District of Krishnagiri. Mango plantation and business has been our Ancestral occupation for the past two centuries and we have gained rich experience and popularity and recognition by virtue of our hard work, sincerity and integrity. Being encouraged by our success and achievements in the business and in light of our vast mango plantations we have ventured into the pulp manufacturing business since the year 2002, and by the Grace of Almighty God, our initial entry in the export market has been encouraging and promising
