About Us

Roshan Minar International is a manufacturing and exporting company supplying unparalleled yoga products like Mysore cotton yoga rugs, yoga cotton mats, meditation cushions, mat bags, cotton yoga wears, yoga bolsters of round or rectangular shapes, Pranayama bolsters, yoga cotton blankets, etc. at affordable prices. Since our inception, our main motto has been, to offer high standard products in various innovative patterns using outstanding quality fabrics and threads. The products that we offer are in great demand because of their unique and exceptional colour combinations, superb finish and best stitching pattern. Our expertise has helped us gain a wide clientele in the national as well as international markets as our products are popular in the markets of United Kingdom, Holland, Germany, Austria, France, Sweden, USA, Canada, Australia and others.

Based in New Delhi, our infrastructural setup has all the requisite machines and equipment to manufacture a gamut of yoga and home textile items. Latest fabrication machinery, advance machines for stitching, lay cutting and other purposes have enabled us to supply and export top quality products as per the international quality standards.

With the extensive support of our team of accomplished designers, expert fabricators, quality controllers, researchers and skilled and semi skilled personnel, we are able to offer the best to our buyers. Our support team is provided with regular training sessions which...
