Royal Crafts was founded in the year 2006 to serve exclusively the growing demand for funeral products.

About Us

Royal Crafts was founded in the year 2006 to serve exclusively the growing demand for funeral products. Eversince we have been supplying our quality Urns made of Solid Brass and other metals like Aluminium and Iron to the esteemed companies and funeral homes in different parts of the globe.

Royal Crafts is based in the Northern part of India in the city well known for Brass Products and art in this field - "Moradabad". We have a well established infrastructure and units that are capable of producing quality products and exquisite finishes. Eversince our establishment year, we have registered remarkable growth with satisfied clientele all over. We are backed by skilled artisans and craftsmen who design and develop latest products for us. In the dynamic leadership of both its partners Mr.M.Arshad Khan and Mr.Asad Amir Khan (who are real brothers) and under the patronage of their father Mr.Ameer Khan who is himself a well known name in the Brass Giftware business for over 35 years, the company is guided to perform and fulfill requirements of its clients.

Royal Crafts is the concern founded exclusively for manufacturing and exporting Metal Urns and other products required by the funeral industry. It came from the parent company Progressive Trade Linkers which ran over 35 years in the field of Handicrafts of Brass Art Wares and other metals, producing and exporting its quality products in categories like Wedding Accessories, Wine Accessories, Garden...
