We are the leading manufacturer, retailer and supplier of an exquisite collection of Kurti, Suits Sarees, Dresses, Tunics & Home Furnishing. These garments are highly appreciated amidst our customers for their exquisite designs and patterns.

## About Us

Based at Lajwanti Garden, New Delhi, India, “**Royal Creation**” excel in manufacturing, retailing and supplying an unmatched collection of **Ladies Garments**. These include a variety of exquisitely designed **Kurti, Salwar Kameej, Sarees & Tunics**. Available at the best prices in the market, these garments are gaining appreciation by a wide community of ladies customers, for their elegant designs and trendy looks. Not only the stylish designs and patterns, but also the fabric of our garments have earned huge applauds owing to their superior quality.

With our concern to offer the best quality of garments to our customers, we have implemented various quality controlled measures, which help us in determining the quality of our consignments. This has gained us the trust and confidence of our customers. In addition to the quality measures, our client centric approaches have also provided us with a strong clientele.

With the support and guidance of our mentor **Ms. Ruchika Seth**, we have been able to provide our customers with the best quality of designer Ladies Garments. Not only this, her in depth knowledge about the trends of fashion and experience in the apparel industry, has helped us in offering customizations for our garments.
