# Royal Industries

<https://www.indiamart.com/royalindustries-vadodara/>

Royal Industries is one of the leading exporter and supplier of nickel alloys & other specialty alloys for corrosion, heat resisting and other application past 10 years.

## About Us

Royal Industries tied up with one of the best manufacturers of steel in order to supply high quality & testified material/products to our customers at competitive rates. We can arrange for material against CT3/ARE4/H forms for exports. As registered dealers, we provide Modvat invoices so that you can avail of excise benefits. We can help you import any material/product strictly adhering to your preference & quality constraints. We can arrange for chemical, physical, mechanical, ultrasonic, micro, IGC and any other related test from govt. approved Laboratories. We are even ready for any third party inspection of our material/product.

Each of our department right from procurement, production, inventory, market, sales and services are fully automated for a better supply chain management, so as to offer the best product quality and prompt service to our clients. Along with technological equipment, manpower is also given special attention. All our professionals are highly dedicated and committed to their client's requirements. Our team of workers strives to provide quality service to you according to your specification.

We would appreciate if Royal Industries is enlisted on your record as one of your valued suppliers. Solely to have an everlasting & fruitful relationship with you.
