<https://www.indiamart.com/royalmetal/>

We are engaged in offering a wide assortment of **Alluminum Products, Stainless Steel Products, Grill Repair Service** and **Grill Installation Service.**

## About Us

Established in the **Year 2013**, we, **Royal Metal** are one of the leading organizations, engaged in providing a comprehensive range of **Alluminum Products, Stainless Steel Products, Grill Repair Service** and **Grill Installation Service** . All our products are widely demanded by the clients for their compact construction, durability and fine finish. Owing to their easy installation, optimum functionality and resistance to corrosion, these products are highly admired by the customers. We also render customization options to customers as per needs and demands of the customers.

Our company has developed a sound and sophisticated infrastructure that is installed with modern equipment as well as machines. Systematically segregated, our unit assists us in streamlining all our trade activities in an effective way. Our team members work in close coordination with each other to provide best products to the customers. Our mentor, **Paresh Salvi** has pool of immense knowledge & expertise in this field. He has inspired us to work in line with global norms and standards.
