

R & P Exports

<https://www.indiamart.com/rp-exports/>

Exporter of candle stands, planters, statues & other handicraft items.

About Us

Founded in 1981, we are a vertically integrated export house defined by many different characteristics meet the international standards and hence we have been approved by ISO 9001:2000 {International Standards Organization}. Every part of the company brings in their unique specializations and expertise, thereby providing the customer with complete product procurement solution. The prime objective of our Export House is to offer the best designs at the most affordable price by employing the best designers, technology and services. We are also proud to be a part of IEMML {Indian Exposition Mart Ltd.} family. MANUFACTURING Part of our research also includes utilizing the best machines and craftsmen. In house manufacturing minimizes material and time wastage. We are also able to enforce our strict quality guidelines. Having considerably sized factories, we can produce large volumes quickly, efficiently, and consistently. All of these aspects add up to savings for our customers. DEVELOPMENT We start with extensive research into product development and design. By having efficient designers who understand different market needs, we are able to provide wide-ranging designer items. Our designers take advantage of all the resources available to them, consisting of varied raw materials and production processes. This attention of detail results in incredible product diversification, allowing our customer to consolidate several collections in one shipment.
