RSA Electrotech - Wholesale Trader of strut channel, Solar Mounting HDG Structure, Pre Galvanized Structure & solar rooftop system. We are offering services for Solar and Electrical Projects etc since 2015 in Nagpur, Maharashtra.

## About Us

Incorporated in the year **2015**, we **RSA Electrotech**, are prominent wholesalers and traders of an exceptional quality assortment of Strut Channel and Solar Rooftop System. Offered products range consists of **Strut Channel, Solar Rooftop System, and Solar Panel Structure**. These are manufactured using high-grade raw material and modern machinery by our vendor's skilled engineers. Additionally, we are also offering Solar Power and Electrical Contractor Service to our client.

We select our professionals through various interviews and testes based on the required skills. To help the customers with the quality assured strut channel and solar rooftop system range, we have a strong relationship with the vendors. The offered strut channel and solar rooftop systems are available in different models and other related specifications, in order to meet the needs of our valuable customers.

Under the direction of our mentor, **Mr. Liladhar Gothe**, we are continuously progressing in the industry. His knowledge and experience help us in meeting the requirements of clients in an efficient manner.
