About Us

Established as a **Proprietor** firm in the year **2014**, we “**R & T Technology**” are a leading **Manufacturer** of a wide range of **Circuit Board, Street Light Timer, CNC Machine**, etc. Situated in **Gandhinagar (Gujarat, India)**, we have constructed a wide and well functional infrastructural unit that plays an important role in the growth of our company. We offer these products at reasonable rates and deliver these within the promised time-frame. Under the headship of “**Mr. Jigar**” (**Proprietor**), we have gained a huge clientele across the nation.
