We are amongst the leading manufacturers and suppliers of processed food products. These are widely appreciated for features like high nutritive value, longer shelf life and low moisture content.

About Us

Since its establishment in the year **1990**, **Ruby Food Specialities** is engaged in manufacturing and supplying a comprehensive assortment of processed food products such as Jams, Crushes, Syrups, Sauces, Ketchups and Squash. These products are processed under most hygienic conditions ensuring zero contamination. Our entire operational activities are directed towards achieving complete customer satisfaction. During the last 20 years of existence, our consistent production approach has also helped us to make a wide base of clients from all across the country. We make sure that the products matched the exact specifications needed by the client. At present, we are looking forward to connect ourselves with a large network of distributors, which can help us promote our brand not only in national but also in international territory. Under the able and efficient guidance of our mentor **Mrs. Jayalakshmi Jonnalagadda**, we have managed to carve a niche for ourselves in this competitive food industry. It is because of her efforts that we have been able to appear as a promising brand of processed food products.
