

# Rubycon Electrical & Electronic Industries

<https://www.indiamart.com/rubycon/>

We are engaged in manufacturer, supplier and exporter a wide range of luminaires, downlights, flood light and light fittings. These products are reckoned for features such as energy efficiency and longer functional life.

## About Us

Established in the year **1994**, we, “**Rubycon Electrical & Electronic Industries**”, are engaged as a manufacturer, supplier and exporter of a quality range of **Luminaries, Down-lights, Flood Light and Light Fittings**. In this range, we offer **Dark-lighter Luminaries, Cellular Soft Light Luminaries, Curve Luminaries, Wing Luminaries, LED Ceiling Down-lights, LED Flat Panel Down-lights, Recess Fitting and ECOS LED Down Light**. Furthermore, we offer **LED Ceiling Down-lights, Single Ended Integral Rectangular Flood Light, High Bay Fitting, Light Fitting with CRCA Reflector & Acrylic Reeded Diffuser and Induction Lamp for Armstrong Ceiling**, among others. Owing to quality attributes such as long functional life, energy efficiency, excellent finish, easy installation and shock-proof exterior, these lighting solutions are hugely demanded in the market. These products find application in showrooms, commercial places, offices, shopping areas and passages. Our products are marketed under the brand name '**Eurolite**'. Since our inception, we have been catering to the demands of sectors such as banking, finance, information technology, telecom, food & beverages, engineering industries, shipping and textiles, among others. In accordance with their demands, we design and develop highly cost-effective lighting solutions. Components such as per-anodized aluminum sheets for our products are procured from...
