About Us

There is a different pleasure and happiness to make nature a part of our daily life and realize every moment, that life is worth to attain all the treasures of mother-nature that is manifested for us. Addressed as “heir of nature”, Rudraksh herbs was set-up since 1997 with the confidence of providing highest quality herbal remedies, which not only heals the diseases but removes it from the root and delivers a stress-less life. Mr. Kanad Khare and Mrs. Smriti khare commenced this trade with the assistance of Late. Ayurvedacharya Pandit Gauri Shankar Tripathi, the man of knowledge who had years of experience in Ayurveda and has contributed his life in unearthing new herbs and antidotes. Revealing new medications, Rudraksh herbs had been providing solutions to many patients and sufferers and gladly it still continued to be the provider of treatments
