We “Rudra Solar Energy” are a Sole Proprietorship firm that is an affluent manufacturer and exporter of a wide array of Solar Cooker, Solar Water Heater, Solar Dryer, Solar Street Light, Solar Desalination, etc.
About Us

Incepted in the year 2006 at Ahmedabad (Gujarat, India), we “Rudra Solar Energy” are a Sole Proprietorship firm that is an affluent manufacturer and exporter of a wide array of Solar Cooker, Solar Water Heater, Solar Dryer, Solar Street Light, Solar Desalination, etc. We provide these products as per the latest market trends and deliver these at client's premises within the scheduled time frame. We have also selected a team of devoted and capable professionals who helped us to run the operation in a systematic and planned manner. We export these unmatched quality products to West Africa, Europe, Australia and US. Under the supervision of “Mr. Devang Joshi” (Proprietor), we have gained huge success in this field.

The solar products offered by us are widely demanded in commercial as well as residential establishment. Offered solar products are designed with utmost care with the use of premium quality components and the latest machines. These solar products are highly applauded due to their rigid design, hassle free functioning, low maintenance, easy installation and long working life. We provide these solar products in numerous specifications, as per the diverse choices of the clients. To ensure the quality and functioning of these solar products, our quality experts rigorously check them against different parameters. Additionally, we provide these solar products within given...
