About Us

Ruah Builders is a reputed name in the Construction Industry with over the years of expertise to satisfy all your expectations of your dream Home. Ruah Builders specializes in transforming your home into a living space that reflects your lifestyle and personality.

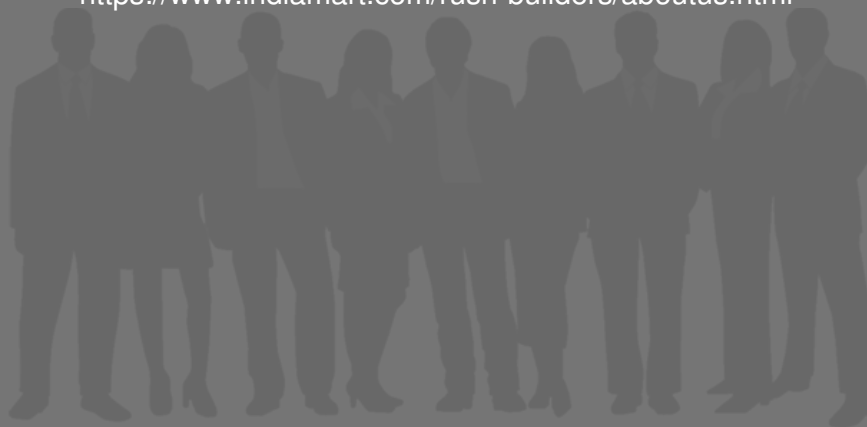

Whether it is converting an existing space or adding on, we can build your dream - from the design phase through completion - with dramatic and incredible results.

We welcome you to surf our portal and let us know how we can touch your life positively. We ensure an enduring relationship with our customers by providing value for money and exceptional customer service.

We have a well-defined quality control process that is structured to meet the benchmarks of quality. We work closely with you from the planning stage through occupancy, assuring that your needs are met without compromise. We are in the construction field for the past fifteen years and sold a lot of houses and flats. We have received very good feedback and customer satisfaction and built various flats as per customer's will. We want everyone to get settled in their own dream house, We opt and trust quality builders. We provide a free consultation to buy and construct new house.
