As an affluent Manufacturer, we are offering a broad gamut of Diyarex Gold Biofungicides, Paclobutrazol Plant Growth Regular, etc. Our offered products are known for their superior quality and effectiveness.
About Us

Inaugurated in the year 2008, at Surat (Gujarat, India), we, “R. V. Agri Corporation”, are renowned as the distinguished manufacturer of a comprehensive assortment of Diyarex Gold Biofungicides, Paclobutrazol Plant Growth Regular, etc. Our laborious professionals conduct various researches in the market to process the finest quality range of products. The offered products are processed using sophisticated technology under strict hygienic condition at our state-of-the-art processing unit. The offered fungicides are widely used to kill or inhibit fungi or fungal spores, which cause serious damage to the crops. These products are widely treasured among our valuable clients for their longer shelf life, superior quality and effectiveness. With the help of our dedicated team of professionals, we are able to maintain a cordial communication system with our clients and fulfill their large-scale and urgent requirements in a prompt manner. Our industry experts are highly qualified, skilled and possess immense years of practical experience in their respective fields of operation. They work with full determination and sincerity directing their efforts towards the achievement of tremendous growth and success of the organization. We have also set up a state-of-the-art infrastructural set-up that helps us in processing the offered range of products. We have established the huge infrastructural base that sprawls over a wide area of land. In...
