About Us

R.V.Centre for Diabetes, was started in May 2004. With Diabetes reaching epidemic proportions, a need was felt to start an out-patient clinic in the World capital of Diabetes, Hyderabad. Modeled along the lines of some of the best Diabetes Clinics in the USA & Australia, the Clinic is well equipped to offer Total Diabetes diagnosis and care. Extensive usage and effective integration of computers coupled with a time tested and proven system of procedures adds strength and quality to the clinic so essential to become ONE STOP Centre for SCREENING, DETECTION, MONITORING and Treatment of Diabetes and its complications
