About Us

S R Group is a pioneering organization established by two enterprising visionaries which supports the manufacturing giants of the country across the verticals of CFA, Distribution, Logistics and Sales and Service of specialized engineering products. And over two decades of existence S R Group has earned an unrivaled reputation for transparent and efficient operations. This translated into a trusted patronage of renowned principal companies besides garnering a strong and intricate network of channel partners and associates across the state of Andhra Pradesh. S R Group for facilitating hassle-free services to its clients branched out into S R Engineers, S R Logistics and Alcade Engineers Pvt. Ltd., each catering to individual specialty of S R Group.
