About Us

Established in the year 2005, "SAAS Cooling Machine and Kitchen Equipments" is a respected Manufacturer, Supplier and Exporter of an extensive range of Commercial and Industrial Bulk Cooking Kitchen Equipment and Cooling Equipments in South India. All our products are scrupulously designed and engineered as per the requirements of the customers in this quality conscious industry. Manufactured as per the highest national and international quality standards, these products are highly admired by our customers and extensively used in various applications worldwide.

Supported by a strong workforce and well developed infrastructural capabilities, we have been providing our customers with a flawless range of performance-oriented products. To cater to the demanding requirements of our customers, we are constantly engaged in updating our products on various prevailing market trends and technical advancements.

We have been able to create a prominent name for ourselves in the industry, owing to leadership provided by our Managing Director and mentor-'Mr.Sasidharan'. He is a known name in the industry and well respected for her immense domain knowledge and experience.
