## About Us

Founded In 1989, Today Saboo Computers stands tall among all the top IT Companies of Kolkata. It has more than 8 Retail Outlets and more than 113 employees under its umbrella. Saboo has two major Business Verticals : **Retail** : Saboo has one of the largest Retail outlets in West Bengal. We offer Quality products at a Unique and Affordable price. **Distribution** : Saboo shares a strong partnership with Manufacturers and Distributors of leading brands of Hardware Components. Behind every successful company, is a group of very satisfied customers. At Saboo Computers, this is achieved through regular innovation and improvement upon existing service levels; so as to always provide the best possible attention to our customers. At Saboo, nothing matters more than our customers' continued interest and faith. It is through this philosophy that we have developed a strong Clientele base of over 300 very well regarded organizations.
