## About Us

Safeway is a premier immigration educational organization specializing in admissions, test preparation and career services. It is the one and only such organization with well established infrastructure in the Indian sub-continent with its international offices in US, Canada, UK, Australia and New Zealand for serving the needs of students. Safeway helps students for under-graduate and graduate admissions, exams and language exams. We assist in raising test scores of the students. We believe in high-quality instruction, state-of-the-art study tools, and comprehensive information. We help the students plug in to the latest test schedule and location information. We guarantee the admission of each and every student in overseas universities. In short, we ensure that students from the Indian sub-continent reach their educational and career goals overseas. Students want a knowledgeable, patient, friendly, and enthusiastic expert to guide them, and that's just what we give them. We invest in research, development, and support to make sure that our services and products are the best available. All our students are connected to the most up-to-the-minute developments.
