## About Us

Safely Industries is an Indian manufacturer and premium supplier of plywood. We manufacture the full range of Neem plywood, Boards, and Laminates including Flush doors. Safely Industries has state-of-the-art manufacturing facilities and quality control measures for all the machining, cutting, drilling, and finishing processes. We can manufacture according to your customised parameters like strength, thickness, and plywood size. For over 20 years, our team has delivered pioneering quality and designs of plywood. We are the best in the industry today, with our extensive product range that is premium-grade and superior quality. Our mission is continuous innovation, providing customers with high quality products and services. We are committed to continue to be the leading manufacturer and supplier of premium plywood manufacturer and suppliers in India.
