The Firm vision is to become the preferred and trusted partner in providing proficient accountings services and also render as a complete business solution providers for small and medium-sized businesses across globe.

About Us

The Firm vision is to become the preferred and trusted partner in providing proficient accountings services and also render as a complete business solution providers for small and medium-sized businesses across globe.

The company also envisions helping independent Individuals (Whether in service or Business) in filing their tax returns and assisting them in preparing their personalized books of accounts for the same.

The strategy is to create partnerships with clients, rendering a strong combination of business consultancy, process optimization, and the latest operational techniques and technology to provide consistent maximum performance from the outsourced back office functions. CTS is proud of its long lasting business relationships with its clients. It has become one of the highest quality providers of outsourcing solutions with offices in Ahmedabad & now growing across different states.
