We are an ISO 9001:2000 certified firm engaged in cultivating, processing, supplying and exporting Seeds, Pulses and Spices. Our products are appreciated for their purity, taste, freshness, aroma and medicinal & health values.

## About Us

Established in the year **1991**, we, “**Sagar International**”, are the trusted cultivator, processor, supplier and exporter of **Seeds, Pulses and Spices**. Processed using freshly grown agro products, these are highly demanded across the world for their quality, hygiene, nutritional value and freshness. We have acquired a repute and goodwill in the market owing to the supreme grade of spices, grains, peanuts, sesame seeds, pulses and raw cotton offered by us.

Our organization has steeped into international venture in the year 1991, and started to deliver the products in the Gulf countries. After that, our organization started to achieve newer horizons in the market of Far East and Europe. Besides, our network of customers is spread across 50 countries that includes 5 continents as well. The quality of the products offered by us has also helped us attain ISO 9001:2000 certification by TUV-South Asia.

We are a govt. of India recognized organization situated at Rajkot (Gujarat, India). Our organization is situated at the heart of premium oil seeds production areas of the state. The area is emerged as one of the leading trading hubs of agricultural products in India. Besides, Rajkot is also attached to various cargo handling ports like Mundra, Kandla and Pipavav, hence assuring timely & fast delivery of the consignments even at international destinations of **East Europe, East Asia, North Europe, Middle East, South/West Europe...**
