Sahajanand Laser Technology Limited

https://www.indiamart.com/sahajanandlaser/

Manufacturer, Exporter & Supplier of Laser Cutting System, Laser Marking System, Laser Welding System, Solar Cell Scribing System, Diamond Processing System etc at a reasonable price to increase the productivity and reduce the cost of production.
About Us

**Sahajanand Laser Technology Ltd.** (SLTL), one of the largest manufacturer, supplier & exporter of Laser Systems in India and one of the largest equipment supplier in the world for the Diamond Industry. An ISO 9001:2008 company with 6 manufacturing units and more than 7000 successful installations worldwide, SLTL command a lion’s share in the Laser Industry. SLTL use wide range of lasers for varies applications such as Laser Cutting, Marking, Welding, Micro machining, Solar Cell Scribing/Cutting, Scanning, Diamond processing, Medical surgeries, Medical Stent cutting, etc, which caters to the needs of diversified industries.

We have been able to face the toughest market competition due to the phenomenal performance of our trained employees. The skilled professionals hired by us have an extensive knowledge in designing user centric products. The current market trends have been closely monitored by our analysts who have helped us to grow as a company. Our sales & marketing representatives work with the clients in order to provide products as per their requirements.

Our infrastructure has been designed to ensure smooth execution of all our activities related to the business process. Our units are incorporated with machinery which exhibits advance technology. This enables us to carry out our services with precision. The pace at which we supply our products speaks volumes about the efficiency levels exhibited by our company.

LASER DIAMOND PROCESSING SYSTEMS

- Multi-Diamond Laser Bruiting System
- Laser Diamond Blocking Bruiting Sawing Machine
- Diamond Polish Evaluation System
- Diamond Laser Sawing Systems
LASER MARKING SYSTEMS

Fiber Laser Marking System - Neo

Fiber Laser Marking System - Rex

Automatic Laser Marking System

Bearing Marking System
LASER CUTTING MACHINES

Fiber Laser Cutting Machine - Vector

3D Laser Cutting Machine - ArmX5

Pipe/Tube Cutting Machine - Infinity F1

Fiber Laser Cutting Machine - Infinity F1
LASER MARKING MACHINE

Co2 Laser Marking Machine - OTF

Automatic Laser Marking Machine

Fiber Laser Marking Machine - Rex

Metal Laser Marking Machine - Neo
LASER WELDING MACHINES

Laser Welding Machine - Nova

Laser Robotic Welding Machine - Fibo

Laser Welding Machine - Enzo

Handheld Laser Welding Machine - Hertz
OTHER PRODUCTS:

- Diamond Laser Sawing System
- Auto Diamond Laser Bruiting Machines
- Fiber Laser Marking System - Ultra
- Fiber Laser Cutting Machine - Prime
OTHER PRODUCTS:

High Power Laser Cutting System - Future X

Multi-Layer Flat Microwave Absorbers (FU-ML)

Fiber Laser Marking Machine - Ultra
