We "Sai Engineering Company" are the leading manufacturer and trader of a wide range of **Concrete Mixer Machine, Road Roller, Hoist Machine and Crane, Construction Bucket, etc.**

About Us

Commenced in the year **2005** at **Ghaziabad (Uttar Pradesh, India)**, we "**Sai Engineering Company**" are the leading **manufacturer** and **trader** of a wide range of **Concrete Mixer Machine, Road Roller, Hoist Machine and Crane, Construction Bucket**, etc. By having the endless support of our experienced professionals, our company is been able to provide outstanding solutions to the customers. They carry out entire business operations in very close association with each other to achieve the set targets and objectives successfully. Moreover, our team encompasses quality controllers, sales and marketing personnel, warehousing and packaging experts, administrative personnel and many more. Moreover, to offer unmatched solutions, we have hired skilled personnel, who are known to the growing market preferences.

Under the guidance of our mentor **Mr. Vikas Kushwaha**, we have gained a huge expertise in this domain.
