About Us

Established in 2013, we, Saint Melawares Private Limited, are manufacturer and supplier of Zinc Stearate Powder, Urea Formaldehyde Resin Powder and Urea Molding Powder. We have a sound infrastructure, and it is well-equipped with necessary tools and equipment that helps us in running quality production procedures. Moreover, we follow strict quality management system in order to ensure overall perfection of offered products. Under this, each and every product goes through different checks on the basis of set industrial quality standards. Having a strong commitment to serve our clients with premium quality products and prompt services, we have garnered faith as well as loyalty of our wide spread clients. Further, we always follow fair business practices and maintain transparency in dealings to establish cordial relationships with the clients.

We are growing rapidly to hold a firm place in the roots of chemical industry. To make this a reality, our team of experienced professionals work around different field of quality, procurement, warehouse, packaging and marketing with perfection. Moreover, they complete their targets in the stipulated time period, resulting in maximum end-value of each assigned work. A well organized infrastructure is the base for sustainable growth of our company. It provides us hi-end facilities and ample resources to carry out our business operations in a hassle-free manner. We have a team of self motivated, reliable and dedicated...
