About Us

Incepted in the year **2005**, **Sai Pest Control Pvt. Ltd.**, based in **Delhi**, is a trusted and leading **Service Provider** in the field of pest control management for both domestic and commercial sectors. We offer services for wide spectrum of pests such as **Insect Treatment Services, Termite Treatment Services, General House Hold Treatment Services, Rodent Treatment Services, Wood Borer Treatments Services, Farm House Pest Control Services, Carpet Beetles Control Services, Home Pest Control Services**. As pests and insects are very harmful to the outdoor environment and humans, it is very necessary to control and remove them from the surrounding. Being an organization based on transparency in the business, we believe showing our clients the whole process of treating pest and the products which will be used in the treatment. Hence, we give assurance to our clients for using products which are not harmful for the humans, pets and the environment. In order to deliver reliable and guarantee services, we analyze the surrounding area for targeting the most possible places where pest can be founded and reproduced. Thus, we are helping citizens by safeguarding them and their loved ones from various kinds of unwanted pests and insects. For rendering the offered services with high clients' satisfaction and result oriented efforts, we have a team of dedicated and trained professionals who know how to use pest control products with safety and...
