About Us

Saitech Systems Pvt. Ltd. is primarily a networking and computer maintenance company, which also addresses all types of computer related issues (be it supply of plotters, printers or networking glitches etc.).

We have been around, providing our services to government and Public Ltd. departments who look for efficiency, competitive pricing since 1991.

At Saitech Systems Pvt. Ltd., our goal is to provide our clients the highest quality service and to this end, our staff of technician is satisfied by many industry standards. We are authorized System Integrator of Krone (for Copper & Fiber cable).

We also are Authorized Partner of HP, Cisco, Linksys, Dax Cyberoam, NI, Quick Heal Anti Virus etc. The company was established with the primary mission to provide complete networking Solution and computer Maintenance service to as many computer users as possible at an Affordable price.

We work with corporations, industry, small business and educational institutional as system Analysts with a focus on finding ways to increase efficiency, productivity, and profitability.
