Saket Electronics

<https://www.indiamart.com/saketelectronics/>

Manufacturer and supplier of electrical components, electronic transformers, high temperature alloys that are made use in building or supplementing electronic appliances. We are also an independent stocking distributor in the same field.

About Us

Incepted in the year of **1992**, we are a counted among the leading marketing & manufacturing organization with underlying interests in the field of **Industrial Electronics and Automation**. We deal in a complete range of **Industrial, MIL Electronic and Professional Instrumentation** related components, electronic products, sub assemblies and intermediary products. Offering **Semiconductor Fuses, High Voltage Capacitors, Liquid Crystal Display, Flat Cable Connectors, Integrated Circuits, Custom Built Transformers, Drum Core Transformers, Ferrite Transformers, Integrated Gate Bipolar Transistors, Mosfet Transistors, Nickel Iron Alloys, Titanium Fasteners, Stainless Steel Fasteners etc.** Under the superior guidance of our owner **Mr. Avdhut Cholkar**, we have been able to develop good marketing network with all major OEMs (Original Equipment Manufacturers) across the country. His profound experience and up-to-date industry knowledge have facilitated us to develop an upright position in the market. We have also carved a position in the defense and other governmental organizations of India. Apart from manufacturing and supplying, we are also engaged in independent stocking distribution in the same field. Started with core focus on supporting Indian manufacturers with quality and latest technology equipment, we have enabled ourselves to offer broad spectrum of industrial applications to suffice the need of the market. We are one of the leading...

ELECTRONIC TRANSFORMERS

Custom Built Transformers

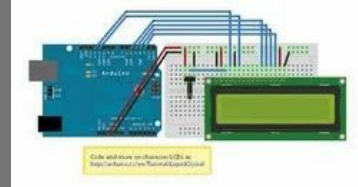

Current Transformers

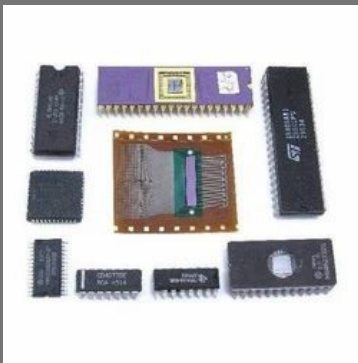

Drum Core Transformers

Obsolete Semi Conductor Devices

Liquid Crystal Display

Integrated Circuits

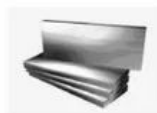

Mosfet Transistors

HIGH TEMPRATURE ALLOYS

Kovar Stainless Steel Strips

Molybdenum Alloys

Invar Metal

Mu Metal

OTHER PRODUCTS:

Phase Control & Inverter
Thyristor

Pressure Transmitter

High Voltage Thyristor Module

Solid State Relay - SSR

Factsheet

Year of Establishment	: 1992
Nature of Business	: Exporter and Manufacturer
Total Number of Employees	: Upto 10 People
