Sakthi - Power. The power of Creation. The Power to perform. The Power to contribute. The power to reach out to people from different walks of life. People like you.

About Us

Sakthi - Power. The power of Creation. The Power to perform. The Power to contribute. The power to reach out to people from different walks of life. People like you... A Starkly simple yet powerful ideology that has spurred the group from strength to strength and has endeared it to customers, carving a very special position in the minds of people. The Sakthi Group of companies performs, contributes and touches the lives of many with operation in the fields of Sugar, Alcohol, Tea, Soft drinks, Soya foods, Synthetics, Gems, Textiles, Transport, Retreading, Finance and Foundry. The company has strategically invested in the most modern foundry facility and looks forward to set the pace for the industry in the years to follow
