Sakthi Electrical Control

<https://www.indiamart.com/sakthi-electrical-control/>

Manufacturer Exporter of Servo Stabilizer, Static Stabilizer, Frequency Converter, Isolation Transformer, Online UPS, FCBC Battery Charger, Industrial Rectifier, APFC Panel, EV Charger, Engine Cranker, Load Bank, APFC Panels, vfd & etc.

About Us

We at **Sakthi Electrical Control** take the pleasure to introduce ourselves as the pioneers in the field of power conditioning serving the industry by manufacturing, service providing and exporting products like **Voltage Stabilizers, Industrial Rectifiers, Oil Cooled Servo Stabilizer etc. Apart From This We also Provide Switch Mode Power Supply Repair Service**

We are distinguishing known for our exceptional quality of workmanship and rational and dedicated approach towards our assignments. Also, our expertise is based on two and a half decades of experience in developing unmatched customized power solutions to meet the specific requirements of various industrial and commercial applications. We not only offer comprehensive power solutions for various requirements by developing top-of-the-line systems and products but also assist our customers to optimize their power consumption through innovative products. The investment made on the Sakthi Automatic Voltage Correcter will be recovered in about 2 years on account of the energy saving, improved power factor, reduction in maximum demand, reduction in electrical breakdowns, increased life expectancy of the equipment and accelerated depreciation.
