About Us

Sam Appliances Service, a real definition of after sale service in consumer durable industry, was established in 1st december, 2004. Presently, there are 12 workers and staffs. Now we maintain our service centre with proper infrastructure. We have two computers connected under broad band connection and all required tools (CFC, Non-CFC gas charging unit), related with home appliances technical works to provide better service and run the office environment smoothly. We attending 97% customer complaints within 12 hours and completing 72% complaints within 12 hours. Retention of the man power is 100%. We started as authorised service centre of Videocon group since beginning for only Videocon brand appliances products. Now we provided service for new brands like, Electrolux, Kenstar, Kelvinator and Akai also.
