Sam Overseas Exports

<https://www.indiamart.com/sam-overseas-exports/>

We are one of the topmost manufacturers, suppliers and exporters of **Mens Leather Wallets, Ladies Purses, Leather Belts, Leather Accessories, Leather Cheque Book Holders, Key Cases & Hand Carved Leather Belts.**

About Us

We are Sam Overseas Exports, one of the leading manufacturers and exporters of an eye-catching range of Leather Products. These are made of quality materials that are sourced from trusted vendors. They are highly durable, have a long lasting finish, are color-fast and are trendy in design.

Under the guidance of our mentors, our company has reached enviable heights. We export our range mainly in the Indian subcontinent and have garnered fruitful relationships with our clients. They are made in our state of the art facilities and tested on different parameters by our expert Quality controllers. They are also stored in large warehouses and we have a fleet of transport equipments to ensure timely delivery of our customized range.
