Samar Electricals

<https://www.indiamart.com/samarelectricals/>

Samar Electricals embarked its journey as a **Manufacturer, Trader of Cable Clips, Roll Plug**. We have been engaged in this business for a long time and become familiar with different industrial aspects.

About Us

Samar Electricals has been incorporated in **2007** in **Delhi** as an entrepreneur in the rapidly growing Indian industry. We are well-known wholesaler, manufacturer, supplier and trader of a wide spectrum of industrial products with appealing variety such as **Cable Tie, Cable Clips, Roll Plug, LED Bulb, LED Strip Light, Electric Push Button, LED Indicator, Mechanical Fan, Plug And Sockets, Pin Type Lugs and LED Panel Light**. The entire range of products is designed and developed using advanced level of technology and standard components to meet the requirements of modern era. We deal with various clients ranging from small to large organizations. They demand for our products without any doubt on quality, design and price as the offered products always marketed on the most competitive price. Besides, the organization believes in customer centric approach in order to remain and grow in the market with satisfactory results. Presently, we are in alliance with leading clients of the industry who gives us credit for responding at the fast rate and effective solutions to the market requirements. Thus, we are well-prepared with the available resources to keep pace with the modern trend and industrial standards.

With the help of widely distributed network of dealers and other agencies, we have been successful in reaching to the clients at the earliest time possible. In addition, the profound modernized facility is equipped with cutting-edge...
