About Us

Established in **2010**, **Samarth Construction** is the leading **Manufacturer, Wholesaler and Trader** of **Calcium Silicate Board, Channel Patti, Gypsum Board, Gypsum Wall Angle, Ceiling Channel and GI Section**. Our diligent professionals only use the supreme quality raw material and ultra-modular technology while manufacturing the offered products in compliance with predefined industry standards. Keeping in mind the accurate requirements of the customers, we provide our products in several sizes, designs, and also in modified options. Known for their features such as water resistance, perfect finish, easy installation, light weight, easy to clean, high effectiveness, scratch resistance, superb performance, precise design, and long-lasting shine, the offered products are widely demanded in the market. We have developed a huge infrastructural base that helps us in providing these products in an appropriate manner. We have recruited skilled and competent professionals in order to handle the segregated departments of the infrastructure. We have equipped progressive techniques and modular machines at our infrastructure in order to manufacture the optimum quality products. Our professionals are highly dedicated to catering to the diversified requirements of our esteemed clients, for which our professionals always strive hard to understand their requirements and demands. In order to ensure durability and optimum quality, the offered products are...
