About Us

Incorporated in the year **2011**, **Samarth Enterprises** is devotedly immersed in **Manufacturing** an exclusive range of **Floor Cleaners, Hand Wash Liquid, Toilet Cleaner** etc. Extensively used in the Industrial sector, our offered products are highly required in the market. Our complete collection is made-up and developed in complete tune with the set industry norms & guidelines using finest-quality inputs. In addition to this, these products are developed under the stern command of our qualified personnel that certifies its quality. We offer these products in our own brand **Damini**.

Our company was founded by our mentor **Mrs. Damini D. Shingre**, who has become the driving force behind our success. She has a vast experience in this industry, owing to which, she has been consistently guiding us throughout our business processes.
