Sampark search was established in 2002 as a proprietary concern, with a focus on recruitment and hr services. It has since been converted to a private limited company.

About Us

Sampark Search was established in 2002 as a proprietary concern, with a focus on recruitment and HR services. It has since been converted to a private limited company. Ever since our inception we have been steadily growing to become India's leading HR Consultancy. Sampark Search is business and process driven company. We seek to offer talent building recourses to strengthen organizational skill sets and employment relationships. Our aim is to build an institution of manpower excellence and we envision to become human resource arm of the indian industry. Our primary objective is to provide most efficient and cost effective HR solutions in the field of recruitment, placement, outsourcing and payroll processing services with NO compromise in our services, quality and scheduled deliverables. We have a well coordinated team of highly qualified, skilled, experienced and dedicated professionals. Ourever increasing data base contains about a million of resumes. We have our offices at Gurgaon, Delhi and Mumbai, equipped with the most modern facilities for efficient working and instant interaction with our esteemed clients and prospective candidates.

We cater to the HR related requirements of the various sectors in the industry at the junior, middle and senior management levels. We cater to the requirements of a very large number of national / multinational reputed clients in different types of business. Through focused search and by adopting...
