We are a decade old direct marketing consultancy based at chennai. We have been supporting many companie to promote their products and services through direct marketing tools using our profiled databases that are available on all india basis.

## About Us

We are Rampex Labs, a fully cGMP compliant pharmaceutical intermediates plant located in the outskirts of Hyderabad, India. Our company was founded in 2004 with commercial operations starting initially by outsourcing our production. In January 2008, our own production became operational and our journey really began. From our inception, we have strived to be the best and work with the best. Our client list comprises of some of the leading API producers within India and abroad. We at Rampex strongly believe that commitment to quality and timely deliveries ensure a very smooth working relationship with all our customers. As you can infer from our tag line, we try and simplify the complex. This is only possible if consistent, quality work is put into every objective of the organization. Rampex has obtained ISO 9001 : 2008 in July 2009 and we have plans to achieve ISO 14000 as well as WHO cGMP in the near future.
