About Us

Sandeep Kulkarni Architect Takes this opportunity to introduce self and as an architectural firm specialized in Architectural planning and designing & execution of residential, commercial and corporate Office Interior design projects. Our team consists of architectural staff, structural consultant, and consultants for HVAC, Plumbing, Electrical and Landscaping. For execution of interior projects we also have Air-conditioning, Carpentry, Electrical, False ceiling, Landscaping and Plumbing contractors specialized in their respective fields. We work towards creation of newly defined interior giving our clients business a new image with full functionality, utility of the space made available to us and value for money clients invest in their new premises. I shall anticipate an opportunity to work with your organization and add proudly the name of your company to my credit list of projects. Our objectives are to complete the project with integrity, on budget and within the stipulated time schedule. About Square Feet Studio Devina Kulkarni, Interior Designer takes this opportunity to introduce self and my firm Square Feet Studio, specialised in Planning, Design & Execution of all types of interior spaces. The firm was established in April 2012, since then it is an associate company of Sandeep Kulkarni Architect.
