# Sangle Agro Processing Pvt. Ltd.

<https://www.indiamart.com/sangle-agro-processing-ltd/>

Exporter of grapes, pomegranate etc.

## About Us

We are basically Growers & Exporters of Vegetables and Fruits, such as Grapes, Pomegranates, and Onion etc. We have our own farms and farmers, acres of lands are scientifically and traditionally cultivated from where we source wide range of fresh fruits and vegetables. A 1600 M.T modern cold storage system plays a big role before the turn of export process.

We strive for the widest variety of fresh vegetables and fruits and are dedicated to the higher quality product standards with friendly knowledge services. Thus we are one of the distinguished fresh vegetable & fruits Exporters in India. Our products are regularly exported to Middle East, Europe and U.K. SANGLE AGRO PROCESSING PVT.
