Providing home cleaning and pest control services.

About Us

A venture started by Mrs. Leena Vijay Govekar (B.E. Electronics) in Year 2005. Being a working housewife there was always worry about keeping home clean and pest free but soon formed a dedicated team for home cleaning with young, talented, hard working, loyal and trustworthy boys from her native place after realizing the need of the today's fast life style. This was being done manually but later with the use of modern machines and techniques, inculcated good qualities of leadership, execution and energizing other team members finally it shaped in to "SANIKA HOMECARE SERVICES", A unique company with home cleaning and pest control activity. Over a period of time we launched brand called "KitchenSpa" (Trade mark of Sanika Homecare Services) for premium market with steam cleaning of entire home with pest control and "NiwaraCare", a brand for an entry level segment where home cleaning and pest control is done by vacuum cleaner and spray (No steam cleaning done). Our mission is to give an affordable, reliable home care services for NRIs, Old people whose children are abroad, Working /Non working housewives, For Interior decorators and designers who make beautiful interiors with carpentry and civil work. Some very simple methods of spraying wood before applying polish or laminate for termite protection. Before masonry work, drilling and injection in the wall at every one foot the hole of 10 mm is drilled & anti termite chemical is infused. This can prevent entry of termites...
