## About Us

Our Hospital serves with the vision of "Hospital with a heart", being the punch line of Sanjeevani. It's a 75 bedded multi-speciality hospital, which is being guided and operated by senior doctors themselves. We help the patient in every possible way, to the extent that a really needy and poor patients get free treatment even if it is in the form of operation to cure him from disease. Our charges are very nominal in the view of the quality of service, and comfort we provide to the patients. All our panalist doctors are having working experience of more than 15 years. We do have all necessary State-of-the-Art equipments for good treatment. The Hospital is situated in the heart of the city in the vicinity of Railway Station and Major roads leading into city of Patna. The hospital has previlage of performing more than 5000 different types of operation in the short span of 3 years since its opening. There are a large number of cured and satisfied patients throughout the state. The next vision of Sanjeevani is to preform Liver Transplantation at affordable cost within state.
