About Us

Sankar Nursery is a reputed and international nursery, which was established in **1982** and located at **Serampore, in West Bengal, India**. We have a lot stock of nursery plants, because we are committed in **cultivating, distributing, supplying & exporting** our nursery plants. In the starting, this area of the nursery was an agricultural land and rice was cultivated on this land. At that time, we bought some plants from our closing nursery and supplied them. But after few years, we could develop our business to make it perfect. Now we are always trying to develop our business more and more. Now Sankar Nursery is a well maintained and decorated nursery by our skilled group, which has a lot of collection of beautiful and healthy nursery plants. We have collection of fruit plants, garden flowering plants, aquatic plants, patabahar trees, palm plants, bamboo plants, medicinal plants, ornamental flowering plants, decorative plants & many more. We are specialized in landscaping and we also supply seeds.

We supply plants from our nursery to Dhanbad in Jharkhand; Gurgaon in Haryana; Muzaffarpur, Patna, Hajipur in Bihar; Hyderabad in Andhra Pradesh; Jabalpur in Maharashtra & list goes on & on. We export also in Nepal. Our special landscaping in West Bengal are in Lataguri, Falakata, Mandarmoni (Rose Valley, Nil Nirjan), Tarapit (Sonar Bangla, Hotel Tara), and another landscaping in Sribalaji, Bhusan Industry, Mother Dairy, Bali Jute Mill...
