## About Us

Sanket Enterprises, a 35 year old firm, is a manufacturer and marketer of products that protect, maintain and enhance the spaces and places in which we live and work. From household rooms transformed by the latest designer colours, to the ripe tomatoes in the garden, to the latest in garage door design and technology, to the industrial coatings that protect landmark infrastructure such as bridges and the construction chemicals that reinforce them; Sanket Enterprises` products are at work. Our brands have been woven into the fabric of the communities where we operate, helping consumers to live better and more comfortable lives. Sanket Enterprises employs approximately 150 people in its production facility at IDA Kattedan, Hyderabad, Telangana, India.
