# Sanlec Automation

<https://www.indiamart.com/sanlecautomation/>

**Sanlec Automation”, is a Sole Proprietorship Firm which Manufacturing, Importing and Exporting a comprehensive range of Electrical products like ,Junction box (Metal , ABS , SMC , Polycarbonat)**

## About Us

Incorporated in the year **2008**, we “**Sanlec Automation**”, is a **Sole Proprietorship Firm**, instrumental in **Manufacturing, Trading, Distributing and Exporting** a comprehensive range of **LED Bulb, Distribution Box, Control Panel, FRP Grating, Meter Box**, and much more.

Owing to their features like optimum performance, durability, strong construction, accurate dimensions, low maintenance, shockproof nature and reliability, these products are widely demanded and appreciated by the clients. To serve the clients in the best possible manner, we also offer these products in customized forms as per the specifications provided by them. For this, we have maintained a large and capacious warehousing unit, which is also well-connected with major transportation modes. Owing to all these factors, we have been able to serve many reputed clients and the number is increasing with the passage of time.

Under the supervision of “**Sandeep Kharat (Proprietor)**”, we have gained huge success in this domain. Located at **Pune (Maharashtra, India)**, we have established a huge and robust infrastructural unit. We export our products to all over the world.
