## About Us

Santevita Hospital a multispecialty hospital located at the heart of the city of Ranchi. It is a centrally air conditioned hospital with modern clinical and surgical facilities comparable to the best. It has been designed and commissioned by Hosmac Consultants, Mumbai, one of the leading hospital consultants of India. It has the state-of-the art building infrastructure with tastefully done interiors and world class patient rooms fitted with equipments like the latest nurse call system and motorised beds. The hospital has an ultra modern modular Operation Theatre Complex, well equipped and spacious ICU, Neonatal ICU, Dialysis services & 24 x 7 Critical Care Ambulance Service, Pharmacy and Diagnostic services. We have the latest integrated Hospital Information System for patient billing and storage of medical records. We are proud to have introduced new healthcare concepts like Natural Birthing Clinic with pre-natal and post natal classes, Daycare facilities, a modern Sleep Lab etc. to Ranchi and Jharkhand.
